PECIFICATION EXCAVATOR

The Takeuchi's TB145 offers performance and operator comfort at an operating weight of 4740kg. Featuring two speed travel on rubber tracks with a powerful economical 27.9kW. diesel engine, it is kitted out with a fully fitted cab which includes AM/FM radio and heater, and the smoothest controls in the business.

The fully tilting cab allows superb access for ease of maintenance.

Compare the standard features with the competition, add the legendary Japanese build quality and reliability, and there's really no contest.
